

# Portfolio Anggiyasti

## 1. Tech Stack :

- Laravel (Front End)
- NodeJS (Back End)

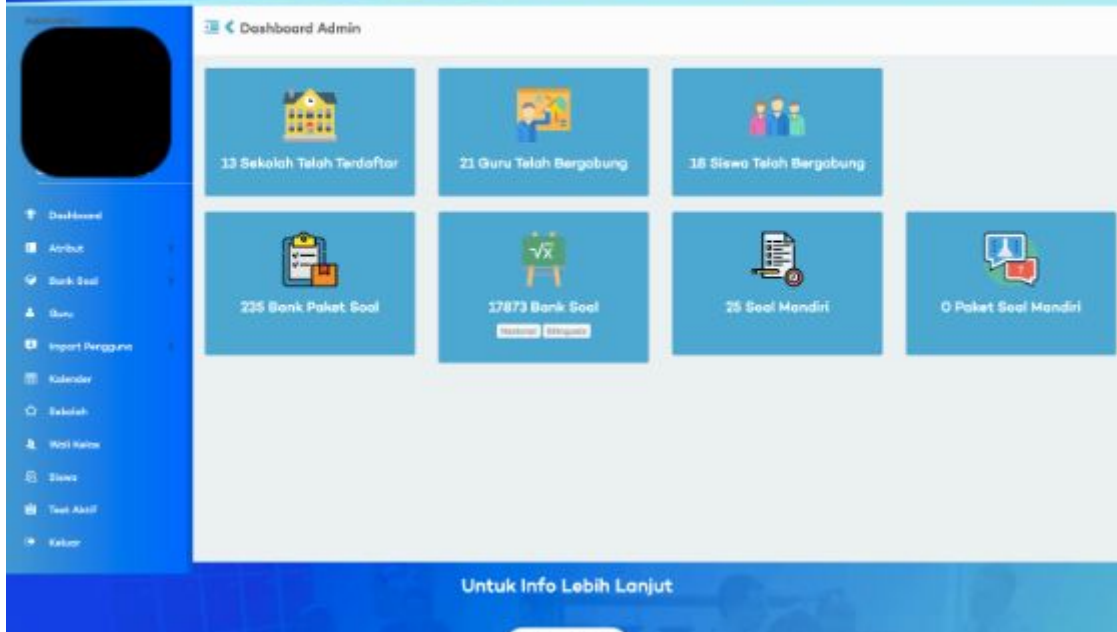

The screenshot shows a 'Global' section with a 'Master Data Global' table. The table has columns for NO, CODE, GLOBAL, DATA TYPE, and ACTION. It contains two entries: one with CODE 'EX' and GLOBAL 'EXPORT', and another with CODE 'L' and GLOBAL 'LOKAL'. Both entries have a 'Sales Out' data type. The table includes 'EDIT' and 'DELETE' buttons for each entry. A 'Download' button and a 'New Entry' button are located at the top right. A search bar and a 'Showing 1 to 2 of 2 entries' message are also present.

NO	CODE	GLOBAL	DATA TYPE	ACTION
1	EX	EXPORT	Sales Out	<button>EDIT</button> <button>DELETE</button>
2	L	LOKAL	Sales Out	<button>EDIT</button> <button>DELETE</button>

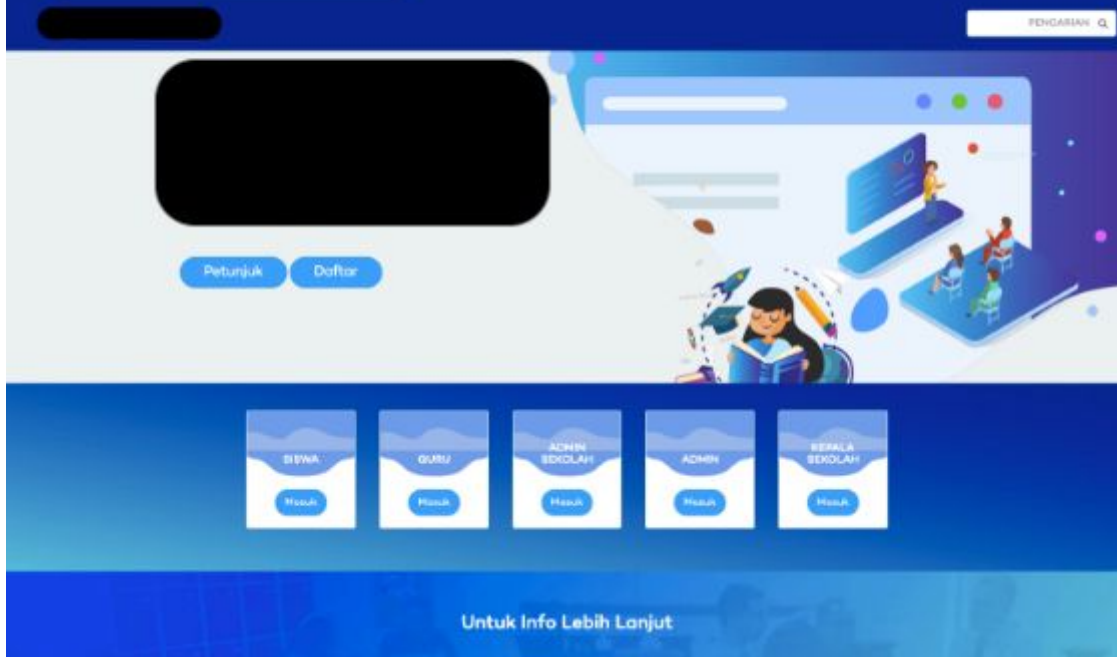

## 2. Tech Stack :

- CodeIgniter (Fullstack)

## Dashboard Admin

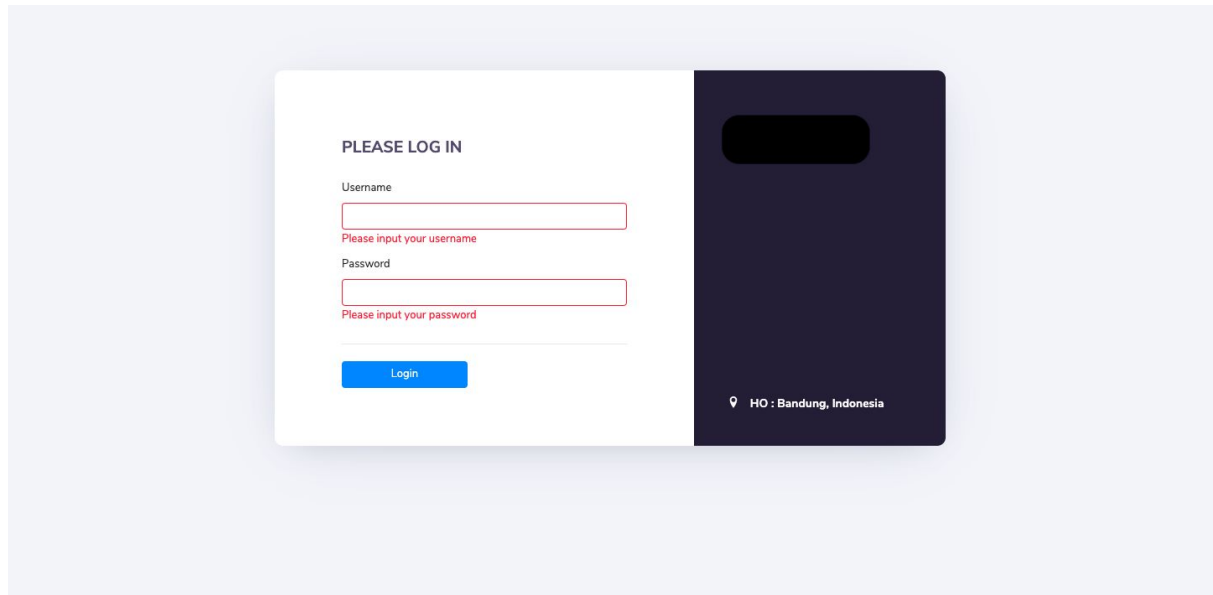

## Landing Page

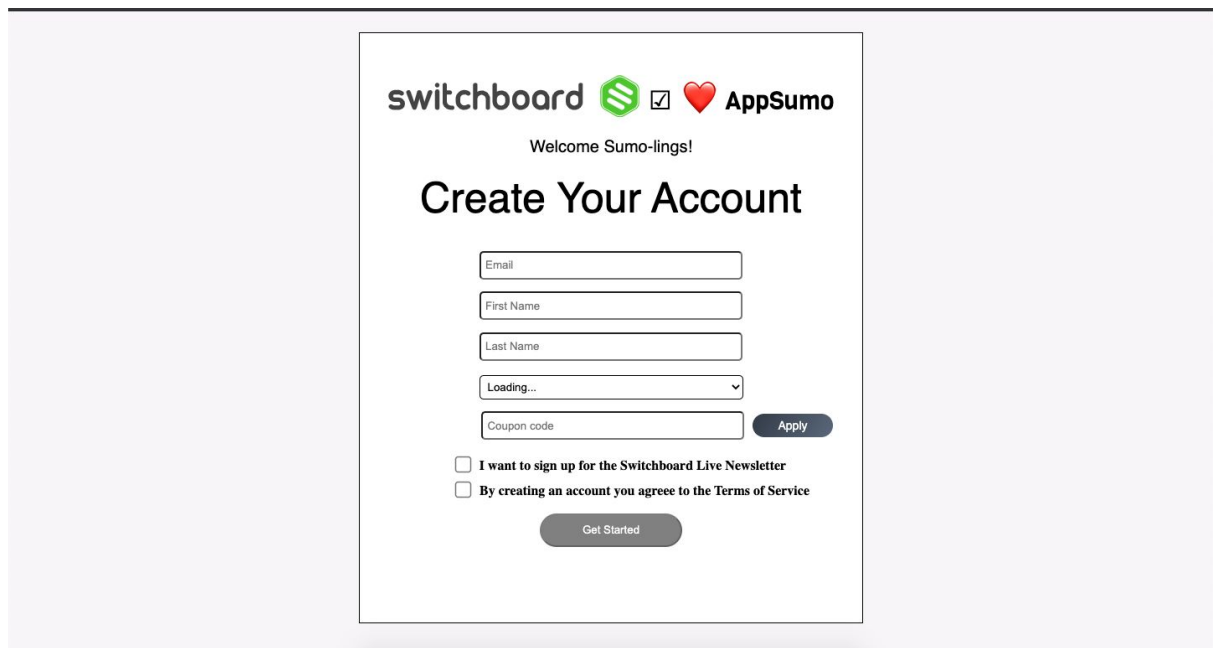

### 3. Tech Stack :

- a. React JS (Front End)
- b. Node JS (Back End)

### 4. Tech Stack :

- a. PHP
- b. JavaScript

## 5. Tech Stack :

- HTML
- JavaScript
